

What is After School Enrichment?

After-School Enrichment is a program offered by the PTSA to bring in different vendors to offer optional programs to Arbor Heights students in exchange for a fee. Participants are dismissed afterschool to the blacktop for pickup from their instructors.

These programs are offered by 3rd party service providers. These 3rd party service providers are vetted by the Arbor Heights PTSA Enrichment Committee to make sure these providers are compliant with school and district policies. The Enrichment Committee provides the calendar of programs offered throughout the school year.

These classes or clubs will include sports, theater, STEM, music, art, and more! The fall session will be 10 weeks from Oct 11 until Dec 8.

We need Volunteers!

We are looking for volunteers who can commit to being on-site one day a week while classes are in session, these volunteers can get a FREE class for their child! We are also looking for volunteers who can help us get the word out to families! Please contact erin.ahenrichment@gmail.com for more information or gwenmanchion@gmail.com if you are interested in volunteering. Please look out for class registration info when school starts!
